Jury Trial is scheduled for Tuesday, August 10, 2021, at 9:00 AM, at the United States Courthouse, 100 State Street, Rochester, NY 14614. Signed by Hon. Elizabeth A. Wolford on 06/25/2021. 06/30/2021	186	<p>TEXT ORDER. On June 30, 2021, Plaintiff sent via facsimile a letter to the Court, requesting an adjournment of any pretrial submissions relating to the issues of back pay and front pay damages, which are due on July 12, 2021. (Dkt. 184). Plaintiff's counsel states that he intends to make a</p>

		<p>motion to bifurcate requesting that the issue of Plaintiff's back pay and front pay be resolved post-trial by the Court, and if the Court grants the motion, it will obviate the need for pretrial submissions on these issues.</p> <p>Plaintiff's request for an adjournment is denied. While it is possible that the Court may grant a future motion to bifurcate, in which case the motion will moot some of the issues briefed with the pretrial motions, due to the short timeframe before trial, which is scheduled to commence on August 10, 2021, the Court is not willing to postpone or adjourn any of the submission dates set forth in the Pretrial Order. Further, the Court notes that Plaintiff's counsel has not indicated that he obtained the consent of defense counsel in making the request for an adjournment, and therefore pursuant to the Court's chambers procedures, he was required to make any such request by way of a formal motion. For those reasons, Plaintiff's motion for an adjournment is denied.</p> <p>SO ORDERED. Signed by Hon. Elizabeth A. Wolford on 06/30/2021. (CAL) (Entered: 06/30/2021)</p>
07/07/2021	187	<p>TEXT ORDER. On July 6, 2021, the parties made a joint request to the Court, seeking a modification of the pretrial order's policy addressing the numbering of exhibits for trial. Specifically, the parties request that should either party submit an exhibit previously marked at a deposition as 1 through 141, it be marked as Plaintiff's or Defendants' Exhibit with its current number. The Court denies this request. Among other reasons, the record will not be clear if each party is utilizing a number within a specific range for its exhibits. However, if the parties agree, the Court will allow exhibits within the range of 1-199 to be marked as joint exhibits, with Plaintiff thereafter utilizing numbers 200-399 and 800 and above (if necessary), and Defendants utilizing numbers 400-799. SO ORDERED. Signed by</p>
